

GenoMEL/BioGenoMEL/MELGEN ANNUAL SCIENTIFIC MEETING 2017 **15TH - 17TH MAY 2017** HOTEL CENOBIO DEI DOGI CAMOGLI (GE), ITALY

Dear Colleagues and Friends,

We are very happy to welcome you here in Genoa Camogli for the annual GenoMEL, BioGenoMEL scientific meeting and we are honoured to host the 20th Anniversary of the Consortium! We wish to thank all of you for sharing friendship, collaborations and science through these years and for coming today in this small mariner village, which we really hope you will enjoy. It has been a privilege to see GenoMEL growing, with the building of the sister consortium BioGenoMEL and now to welcome the students of the Marie-Curie Early Training Network (ETN) MELGEN PhD programme.

We hope you will appreciate the meeting and the social activities we prepared for you. The conference will take place in the downstairs rooms at the Cenobio dei Dogi Hotel and the social activities are all by the Camogli sea.

Thanks for coming and enjoy the meeting.

local organizer on behalf of the Genoa team
